**Applications:** LAPTOP, PALM-PC, Blackberry, POS - Sales Point, Hand-held Measuring Devices, Mobile Applications, Vehicle-Taxi, Car-Park , PLC, Automation, Que-Matic, Ticketing, KIOSK ...

Stand 3-134

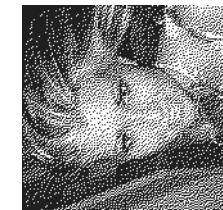

With a control command sent to the printer it will be possible to feed the paper, to print in bold and in different font sizes and to print characters as a barcode. It is also possible to change the direction and to print to the length of the paper. In addition you may print one or two downloaded images or Logos and do much more with the many function commands.

Normal Printing  
BOLD NEGATIV  
**DOUBLE X**  
**4 SIZE**  
UPSIDE DOWN

Turned 90 degrees

Logo from memory.  
**Coca-Cola**

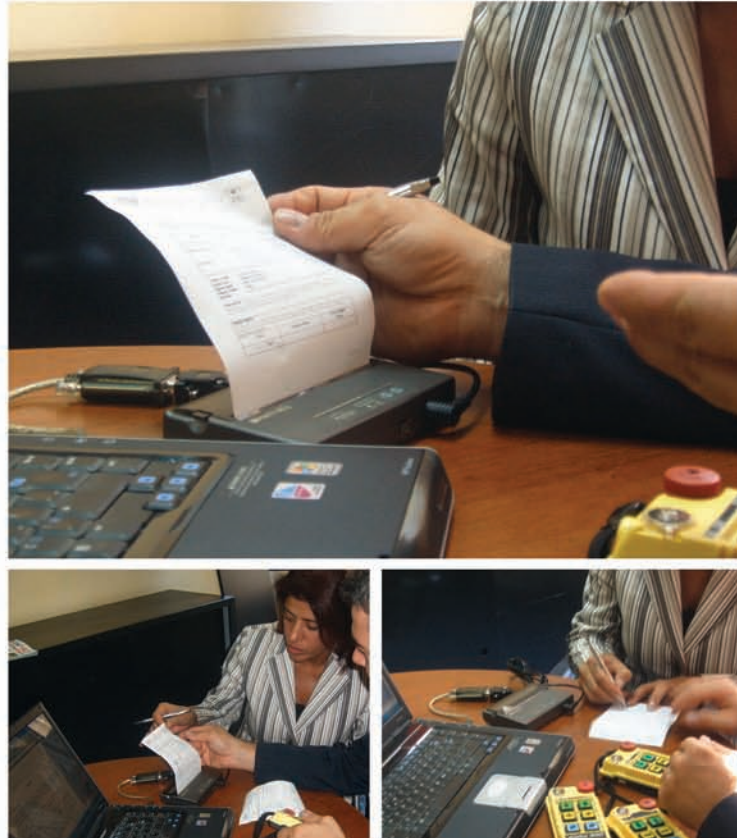

Woosim Thermal printers are **small** in size and **light** in weight.

Woosim, always with you.

Printout the receipt - Speed-up deliveries

*Printout the sales agreement and finalize presentations with immediate success.*

*Printout measurements made by mobile instruments*
